### Key:

**Ratification** - fulfilling and implementing domestic legislative legal practices to bring about the legal application of the Treaty on the government and other entities to which the Treaty is applicable, such as formal approval by parliament or legislative bodies, and the Treaty is formally declared to be applicable on the State Party, and the required legal instrument of ratification has been duly deposited with the depositary.

**Signature** - competent authority or representative of a State has affixed its signature to a Treaty text thus indicating acceptance of the Treaty and a commitment not to undertake any actions that would undermine the purpose of the Treaty, according to the Vienna Convention on the Law of treaties, pending formal ratification.

\* Signature and ratification required for CTBT to enter into force.
