S	Date of Signature (competent authority or representative of a State has affixed its signature to a Treaty text thus indicating acceptance of the Treaty and a commitment not to undertake any actions that would undermine the purpose of the Treaty, according to the Vienna Convention on the Law of Treaties, pending formal ratification).
SQP	Small Quantities Protocol (States that conclude comprehensive safeguards agreements, provided that quantities of nuclear material do not exceed the limits of paragraph 37 of INFCIRC/153, have the option to conclude a so-called “Small Quantities Protocol”, thus holding in abeyance the implementation of most of the detailed provisions set out in Part II of a comprehensive safeguards agreement as long as these conditions continue to apply. For those States that have accepted the modified standard SQP text, which was approved by the Board of Governors on 20 September 2005, the current status is reflected).
VOA	Voluntary offer agreement concluded between the IAEA and an NPT nuclear-weapon-State
*	Safeguards Agreement pursuant to Additional Protocol I to the Treaty of Tlatelolco

¹ On 26 March 2003, Cambodia, which had been a member of the IAEA since 1958, announced its withdrawal from the Agency. It rejoined the Agency on 23 November 2009.

² Pending entry into force, Iraq’s additional protocol will be applied provisionally from 17 February 2010.

³ On 13 June 1994, the DPRK, which had been an IAEA Member State since 1974, announced its withdrawal from the Agency. Although the withdrawal did not affect the DPRK obligations under its Safeguards Agreement, which in the Agency's view remains binding and in force, the DPRK took the position that it was in a special position with regard to the Safeguards Agreement and that it was no longer obliged to allow the inspectors to carry out their work under the Safeguards Agreement.

⁴ The NPT safeguards agreement with New Zealand also applies to the Cook Islands and Niue; however the additional protocol thereto (INFCIRC/185/Add.1) does not apply to those territories.
