P.O. – Permanent Observer EC – European Commission	+EC (P.O.)	+EC (P.O.)			[note; EU is a member]		

¹ The Proliferation Security Initiative is not an export control regime, but is related in that it seeks to develop a range of legal, diplomatic, economic, military, and other tools to interdict threatening shipments of weapons of mass destruction and missile-related equipment and technologies via air, land, and sea, thereby preventing their transfer.
